ART COLOGNE 2018 application process starts

National and international galleries can apply from now on for the 52nd edition

The application process will take place exclusively online. The applications forms as well as details on the general conditions of participation as well as the guidelines for the acceptance procedure can be downloaded via the following link:

The deadline for application for established galleries will be Wednesday, the 20 September 2017 and for the new and emerging galleries in the NEUMARKT sector Friday, 20 October 2017.

Next year, ART COLOGNE is following it's regular schedule (Wednesday to Sunday) again and is opening its doors from 19 to 22 April 2018 in Hall 11 of Koelnmesse. As usual, the fair will open the day before with the AXA Art Preview and the Vernissage on Wednesday, 18 April 2018. This means that next year, ART COLOGNE will be held one week before the Berlin Gallery Weekend.

The ART COLOGNE 2018 will be staged across three levels of Hall 11 of the Koelnmesse fair grounds in Cologne. Galleries, focusing on Modern and Post-war Art, will be exhibiting on the ground level of hall 11. The middle level is exclusively reserved for the established Contemporary Art.

The NEUMARKT sector, which was introduced in 2017 and which focuses on galleries that are 10 years old or less, will again be located on the top hall level (11.3). The NEUMARKT area offers space for small stands with special solo presentations. There will also be medium-sized stands with carefully selected group exhibitions of a maximum of three artists. In addition, NEUMARKT also offers larger stands that are exclusively dedicated to curated presentations from galleries of all ages, also in the form of joint stands.
